

Atascadero Land Preservation Society (ALPS)

Scholarship Application

Due April 4, 2025

ALPS is a local, private, non-profit, 501 (c)(3), conservation organization founded in 1989. Our mission is to preserve environmentally significant open space, undeveloped natural land, and native trees in Atascadero.

ALPS is providing a scholarship for a graduating senior who is pursuing higher education with a focus in environmental science or other environmental or conservation related fields such as forestry or natural resources.

Requirements

- Have a GPA of 2.5 or greater
- Have applied and plan to attend a university, college, junior college, vocational, technical, or trade school
- Have participated in a volunteer event with focus towards the environment (desired)
- Submit a one page letter (email is fine) stating interests and goals (see below)

In the letter, please include your cumulative GPA, school and extracurricular activities, what school you plan to attend, what major you are declaring, what possible occupation you plan to pursue, what has helped you make that decision, and what you hope to achieve long term with your education.

Please submit letter to: info@supportALPS.org with the subject “**Scholarship Application.**”

The recipient will be invited to the ALPS June board meeting to receive their monetary award.
